Sugisaki Meter Co., Ltd.

Notice of Discontinuation of DIS Series.

I would like to congratulate you on your continued prosperity. Thank you very much for your continued patronage.

The "Torque Tester DIS Series", which has been favored for a long time, has been discontinued due to various reasons. We apologize for any inconvenience this may cause.

We are preparing the "WDIS series" and "WDISR series" as successor models of the "DIS series". As the successor to the DIS series, we are confident that we will be able to respond to a wider range of needs by adding various functions while maintaining the same functions. Thank you for your consideration.
