## Notice of discontinuation of NTS-6 series production

We would like to express our gratitude for the continued success of your company. Thank you very much for your continued support.

The " Rotating Torque Meter NTS-6 Series ", which has been favored for a long time, has been discontinued due to various reasons. We apologize for any inconvenience this may cause.

The successor model to the NTS-6 series is the NTS7 series, which is already on sale. We are confident that by following the functions of the NTS-6 Leeds and adding various functions, we can meet a wider range of needs. Thank you for your consideration.

**Discontinued product : Rotating torque meter NTS-6 series**

NTS-6/S-1, NTS-6/S-2, NTS-6/S-5, NTS-6/S-10, NTS-6/S-20, NTS-6/S-50,  
Other special specification products starting from NTS-6

**Order end date : Scheduled for the end of November 2023**

\*Due to the delivery date of parts, even if you order within the above period, the delivery time will be longer. There may be cases. Please be aware of this in advance and check the delivery date each time.

This is a sudden request, but we appreciate your understanding.

If you have any questions or concerns, please contact our sales department.
