

To whom it may concern

December 2023

Sugisaki Meter Co., Ltd.

Notice of discontinuation of Screw Tightening Counter ECT series production

We would like to express our gratitude for the continued success of your company. Thank you very much for your continued support.

Now, due to various circumstances, we have decided to discontinue the production of the "Screw Tightening Counter ECT Series", which has been popular for a long time. We apologize for any inconvenience this may cause and appreciate your understanding.

Regarding the successor model, since each screwdriver manufacturer has responded individually to the counting function of the electric screwdriver, we have decided to end support and no longer manufacture the successor model.

Discontinued product	Screw tightening counter ECT series All models in the series starting with "ECT"
----------------------	---

Production end date	December 2023 * Until now, we have postponed accepting orders.
---------------------	---

This is a sudden request, but we appreciate your understanding.

If you have any questions or concerns, please contact our sales department.
